

Unions to strike over pay, pensions and working time

 [Portugal](#)

The STAL local government union and other public service unions in the Frente Comum have called a one-day strike in public administration on 26 October. The unions have a range of demands including a 4% increase on pay (with a minimum increase of EUR 60) and pensions, measures to tackle precarious employment and also to ensure that all public service workers have the right to the 35-hour week.
