

Union signs deal with waste company on safety and COVID-19 bonus

 [Portugal](#)

The STAL municipal services union has negotiated an agreement with the AMBILITAL inter-municipal waste company that provides for an extraordinary allowance of 300 euros for all workers and guarantees to protect the incomes of workers subject to containment measures during the COVID-19 outbreak. The union sees these as essential measures to address the current emergency and reflect STAL's longstanding aim to achieve greater recognition of the arduousness nature of the work in the sector.
